A VOICE LIKE PEPPERMINT...

Whether poignant, funny, angry or broken-hearted, San Diego-based singer songwriter, Ren Daversa, will command your attention with peppermint vocals, catchy, thoughtful lyrics and moody melodies. As former frontwoman of San Diego-based alternative pop band, The Good China, Ren has spent the time since her departure studying the craft of songwriting, emerging as a unique solo artist with a fresh brand of original, acoustic pop. She hits the ground running with her debut solo album, "Saltwater."

Hailing from a small island off the coast of Rhode Island, Ren has always been inspired by the sea, so it's no surprise that her first solo record would be titled "Saltwater". Released on October 1, 2018, this album represents her debut as both solo artist and producer. Recorded at the Grey Brick Studio in San Diego, CA, Saltwater is a musical and lyrical interpretation of love, struggle, enlightenment and strength. Nine finely-crafted acoustic pop tracks showcase this eclectic artist's songwriting, arrangement, vocal and harmony skills.
